

The background of the slide is a light gray gradient. It is decorated with numerous realistic water droplets of various sizes. Some droplets are at the top, some are along the sides, and a cluster of larger droplets is in the bottom right corner. The droplets have highlights and shadows, giving them a three-dimensional appearance.

The background of the entire image is a light gray gradient. It is decorated with numerous water droplets of various sizes. Some droplets are large and prominent, while others are small and subtle. They are scattered across the frame, with a higher concentration in the top-left and bottom-right corners. The droplets have a realistic, three-dimensional appearance with highlights and shadows.
